Mike, thank you for the call yesterday. Per our discussion, attached is the request we sent to Eric this am. As noted, while December 7 is the most convenient date for us, if December 10 is better for you and your staff, then we will certainly accommodate your schedules. Thanks Mike.

Regards-  
Brad

Hi Eric,

Oxitec plans to submit an EUP application for its 2<sup>nd</sup> generation *Aedes aegypti* mosquito, OX5034, and we would like to request a pre-submission meeting in early December. Given that Oxitec will be in Florida during OPP's visit on 3-6 December, we would like to propose a meeting for Friday, 7 Dec or Monday, 10 Dec at EPA's office.....if possible, our preferred date is 7 Dec. Please let us know if any of these dates work for you.

As discussed, Keith will be in touch to arrange a drop off time.

With best regards,

Tricia
